Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached Form PTO/SB/08 A & B (modified), which the Examiner may deem material to the patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith, with the exception of any U.S. patents and/or U.S. patent publications; and co-pending non-provisional U.S. applications filed subsequent to June 30, 2003.

The present Information Disclosure Statement is being filed: (1) no later than three months from the application's filing date; or (2) before the mailing date of the first Office Action on the merits (whichever is later); or (3) before the mailing date of the first Office Action after filing a Request for Continued Examination (RCE) under 37 C.F.R. §1.114 and, therefore, no

In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of the foregoing Supplementary EPO International Search Report citing such documents, together with an English-language version (if not already included) of at least that portion of the Search Report indicating the degree of relevance found by the EPO.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application.
